

BULLYING PREVENTION AND INTERVENTION PLAN GOALS

Name of School: St. Charles College

Sudbury Catholic District School Board is committed to ensuring that all our school environments are ones of respect, dignity and trust, consistent with the Gospel Values. Bullying fails to respect the dignity and value of all individuals involved. Accordingly, the Board believes that all forms of bullying are unacceptable behaviours.

School Goals:

Key Issues of Concern/ Highlights	School Bullying Prevention and Intervention Goal(s)	Next Steps (Bullying Prevention and Intervention Strategies)
<p>To build a school culture of inclusion.</p> <p>To promote equitable and respectful relationships through student led diversity awareness activities.</p> <p>To improve student and staff awareness of and access to school and community mental health supports.</p>	<p>Provide support to students dealing with mental health issues in order to assist them in maintaining healthy mind</p> <p>Provide students with attendance supports to build inclusivity</p> <p>Provide students with safe zones throughout the building</p>	<p>Use of Mental Health Clinician, Attendance Support Worker and Indigenous Support Worker</p> <p>Wellness & anti-Bullying Day planned by Leadership Class</p> <p>Continue to grow the board Pow-Wow (if permitted due to Covid)</p> <p>Use of Student Success, Open Doors, Chapel for alternative spaces for students</p> <p>Antioch Retreat in spring (if permitted due to Covid)</p>
